Note: This is all alleged since only I am coming forth about what happened to me. Of course the Rockingham Update reporter was around the area as well but I don't trust Rockingham Update as they refused to cover any significant local stories about Mayodan citizens resisting the NDAA 2012 law. I am up for interviews and I promise that everything I say is the truth as it is in my duty and responsibility to expose anything that doesn't seem right. I must tell people what happened while it is fresh in my mind although this has been posted days later after the draft has been made as I fear the police are watching my website and are looking for a way to come after me so I am leaving low and publish this at least 3 days after the incident. Remember my witness report is just an alleged report since only I have decided to write on this.

At around July 9th, 2012 during the Mayodan Town Council meeting, things go from bad to worse at the town council meeting, and all I did as a reporter was ask NC State Senator Phil Berger a question before the chief of police forced me out which is in the video I got recorded. Somehow I recorded audio when the cop forced me out the whole time and even left a remark to have fun with the New World Order multiple times before getting my stuff. There was no audio of the cop intimidating me though but at least I got a recording of part of the whole ordeal.

First while the people were around and leaving the cop told me that when the session closes I am suppose to leave out of there so they can have their private meeting before the meeting is entirely closed. I didn't know all that so I should not have been treated like a criminal. Then of course the cop went further in making sure I never go up to state senator Phil Berger to ask him a question. Then minutes later when I was going to explain to the officer that I have type 1 brittle diabetes, he interrupted me then started telling me that the way I was going up to the state senator with a camera (like I was in the wrong for that), told me how like those city council meeting videos on TV where someone comes up quickly to shoot a political official, and acted as though I was coming up to him fast to do something terrible to him or even do something that threatens his life. He said that he knows that I didn't show that I was intending to do that but then he started saying to me that if I go up to the state senator like that again he will push me back or something like that. Basically he was gonna force me back as if I am gonna hurt him or go into a bar without an ID. That was the way he was acting and being close to me, close to my space. Then I told him I promise I won't do that again then he badgered me a little bit more then I said I am sorry and said scouts honor then he backed off. Then when my mom came in to the town hall office
